TOP REASONS TO VISIT

The town & mountain village

Nestled into a spectacular setting of a box canyon with dramatic steep mountain vistas.
Its main drag, Colorado Avenue, is lined by low, late 19th and early 20th-century buildings that hark back to the town's mining roots. Getting from the town to the mountain village is fuss-free with a free gondola that links the town to the Mountain Village. Ride time: 13 minutes from Oak Street Plaza to Mountain Village centre.

Restaurants & Bars

No day is complete without après ski!
Beyond its credibility as a ski town, Telluride has also been recognised solely for its cuisine. Both Conde Nast and Forbes have sung the praises of Telluride's foodie scene and US Today ranks it in its top five ski resorts for nightlife. Alpino Vino - a ski-in/ski-out chalet perched atop the ski area at 12,000 feet with 360-degree undisturbed views - is the highest fine-dining restaurant in North America and serves up a bounty as delectable as the views, art exhibitions, vendors and live showcases.

Family friendly

Telluride is a special place for families!
The Mountain Village lodging is close to the trail system, the ski school is located slopeside and kid friendly restaurants can be found on any corner. Lots of beginner slopes and plenty of family winter activities.

When to go

December:	Christmas and New Year's Eve festivities. **Book early!**
Jan/Feb:	Great snow and powder plus the benefit of few crowds (or queues).
