The best active travel on the planet

British Columbia's mountains beckon with unparalleled vertical, spectacular scenery and massive terrain.

From the world-famous slopes of Whistler Blackcomb to the champagne powder of the Interior and the steep chutes and long runs of the Powder Highway, the variety of BC's alpine landscape is staggering, with runs for all abilities, amazing snow conditions and endless winter adventures, perfect for your next ski holiday.

TOP REASONS TO VISIT

1 Ski Resort in North America

BC is home to the #1 Ski Resort in North America: Whistler.

Birthplace of Heli-skiing

Heli-skiing was pioneered in BC and here you will find some of the world's best powder and amazing heli and cat-skiing terrain.

The Powder Highway

Follow the powder on the ultimate road trip to ski and board 8 of BC's top resorts located in the Kootenay, Rocky, Purcell and Monashee Mountains.

Ski-in Ski-out

Ski from you door to the slopes: BC is home to many ski in ski out family friendly resorts that leave you more time to spend on the mountains.

North America's Longest Vertical

At 1,713 metres, burn your thighs at Revelstoke on the longest lift serviced vertical.

Night Skiing

Test your snow skills on the longest night ski run at Kimberley Mountain Resort at 2.5km long.

Après Ski with a View

You can dine at Canada's highest restaurant, located at 2,346m above sea level at Kicking Horse.

WINTER ACTIVITIES

There are plenty of options to refuel, refresh and to soak up the British Columbia atmosphere in winter.

From unwinding after a day on the slopes in natural hot springs, exploring friendly and small mountain ski towns and resorts, amazing off slope adventures or working up an appetite with indulgent culinary adventures - your BC winter adventure awaits.
