Learn to ski

Big White has the second largest ski school in British Columbia.
Whether you're a beginner or an expert, there's always room to improve skills, build confidence or get to know the mountains better. Big White is also the place for young athletes with tailored training camps. This provides an ideal opportunity for children to improve in an environment different from home and progress their high-performance skills on the slopes.

TOP REASONS TO VISIT

Big White Insider Tip

One of the things I hear all the time from parents is how much they like our unique "Accommodation Pick Up Service" for children registered in Ski School programs. For a nominal fee the ski school staff picks up the kids from your accommodation providing parents the opportunity to relax and enjoy their morning coffee, or make first tracks in our famous Okanagan Champagne Powder.
