Lake Tahoe

Winter Experiences

& ski/board

Lake Tahoe is one of the largest, and most beautiful alpine lakes in the world, so it's no surprise that millions of people from all corners of the planet meet here to get a piece of the amazing winter activities every single year.

Mt Rose Ski Resort & Diamond Peak Ski Resort

The Lake Tahoe basin offers dozens of ski resorts to get your vertical drop on. Mt Rose is located between Reno and Incline Village on the North East shore of Lake Tahoe. 2022/23 new Lakeview Express Chair. Diamond Peak is also located between Reno and Incline Village and is just 5 minutes from the Hyatt Regency with stunning lake views.

Snow Tubing , Sledding, Blue Streak Zip Line

Heavenly's Adventure Park is a favourite for families.

Hot Springs

Nevada has more natural hot springs than any other state, visitors will have their pick including historic Steamboat Hot Springs and Carson Hot Springs.

Snowshoeing & Fire Pits

Grab the fam and pack the snowshoes—many local retailers rent them by the hour or day in Incline Village and Reno—head up to Mount Rose Wilderness Area. A beginner-friendly, about-a-mile-long walk carries you up to breathtaking views of Lake Tahoe, where, sure enough, a bunch of cute little birds just might flutter down to say hello. Feeding the birds (or any other wildlife) is not only extremely uncool, it's also illegal. But the chickadees are so habituated to people that they will likely land on your empty, outstretched hand. Then head to Incline Village for a lakeside fire pit (the Hyatt) for après taking in the stunning Lake Tahoe views.

Sleigh & Carriage Rides

Off the slopes, you can literally dash through the snow on a one-horse open sleigh with one-hour, private tours along the breathtaking edge of Lake Tahoe. A great family activity and perfect vacation treat for all ages.

Lake Tahoe Cruises

Enjoy a sightseeing cruise that is considered one of South Lake's most entertaining water activities. Although you may have come to Tahoe for incredible alpine skiing, there's no better place to experience Tahoe's sparkling majesty than Emerald Bay. The 570-passenger paddlewheeler was transported from the Mississippi River to offer Tahoe visitors more cruises.

Festivals

Fire & Ice Winter Festival

Held in January each year, this signature annual event is a long standing tradition. From ice bowling to art sculpture bonfires, and billiards tournaments to live music, historic train rides and beyond, load up the whole fam for an outdoor weekend of winter wonderland activities you won't be forgetting anytime soon.

Alpenglow Mountain Festival

Held in February each year, this festival showcases some of the best activities Lake Tahoe has to offer—backcountry skiing and splitboarding, cross-country skiing, snowshoeing, natural history, yoga, live music, educational workshops, social gatherings and more. Traditionally held at the Olympic Village Lodge at Palisades Tahoe

Nevada Pro Tip

"You can't visit Tahoe in the wintertime without heading to Mt. Rose Meadows, just north of Incline Village. Filled with some of the best sledding, tubing and snowshoeing ops for everyone from first timers to snowy savants. Channel your inner Snow White with a one-mile snowshoe trek to Chickadee Ridge, where wild birds will land on an outstretched hand for the selfie of the century."
