### Ski-in / Ski-out Accommodation

From your door to the slopes! With most ski-in / ski-out accommodation located at the foot of the slopes, you can simply walk from your accommodation to breakfast, then to the ski lifts and hit the uncrowded slopes.

### Canada's largest hot pools

Nestled just slope-side at Panorama Springs Lodge, Canada's largest slopeside hot pools offer you a year-round retreat with two hot tubs, a warm pool, and a cold plunge, all under the stars with views right onto the mountain.

### Ski Terrain All to Yourself

Test your skills on uncrowded slopes with amazing 360° views, from wide open cruisers, powder-filled tree lines and bowls to chasing powder stashes. It offers vast areas of skiable terrain and a selection of chairlifts that efficiently spreads people out across the entire mountain, making it suitable for all skiing levels.

For black-diamond runs, head to Taynton Bowl, formerly a heli-skiing area, is now within bounds, patrolled, avalanche controlled and no backcountry gear is needed.
