Your itinerary snapshot

The itinerary for this trip is flexible, and your hosts will adjust it to suit the group and snow conditions.

Day 1: Arrive to Otaru

Winter in Otaru feels like stepping into a snow-covered postcard, where lantern-lit canals, historic warehouses, and quiet streets glow under fresh Hokkaido powder. Warm up with steaming bowls of ramen, fresh sushi, and cosy izakayas that make this harbour town one of winter's most charming stops.

Day 2-4: Ski Kiroro

Guests transfer to Kiroro Ski Resort daily in a seamless journey. Explore the destination that has one of the best snow in Hokkaido (and around the world) with an average of 21 metres each year. It offers wide-open groomers, tree runs, and off-piste terrain ideal for all abilities.

Day 5-8: Ski Kamui

Guests move to Asahikawa. Kamui stands as the premier resort in Northern Hokkaido, earning its reputation as the top 'local's' ski destination in the country. The resort's distinction lies in its exceptional dry powder, a unique feature attributed to its inland location. The staff at Kamui proudly assert that the powder found here is unquestionably among the finest.

Day 9-12: Ski Tomamu

Enjoy your stay in a modern, high end ski resort located in central Hokkaido, with exquisitely groomed slopes, plentiful amounts of terrain for experts and tree skiing within resort boundaries. Without a doubt, this is the perfect slice of gorgeous snow and luxury to relax. The resort has 145 hectares of power snow to quench your thirst for adventure from alpine skiing to snow trekking. This stylish ski experience offers a fun and dynamic atmosphere.

Day 13: Departure

After checking out of Tomamu, head back to Tokyo, departing with unforgettable memories.
